

Dependents

We believe well-being shines brightest when it's shared. Invite your inner circle to join your journey today and grow healthier as one.

Easily add your dependents so they can access Wellness Coach resources, tools, and benefits your employer provides, like the Employee Assistance Program (EAP). Whether it's your spouse, child, or dependent parent, they can all benefit.

Add your dependents to unlock full access to your employer-provided Wellness Coach resources and tools.

How to Add Dependents to your Wellness Coach Account:

1. **Go to Share Access:** On the Home Page scroll down to "Share Access" and tap on "Dependents"
2. **Fill out the form:** With your dependent's information, ensuring their email is correct.
3. **Submit Form:** An invitation will be emailed directly to your dependent

NOTE: Once your dependent accepts invitation they will receive the information to create their personal Wellness Coach account.
