

REWARDS

Earn points for healthy habits and redeem them for real rewards.

Taking care of yourself should feel good, and it should pay off! Whether you're tracking your steps, taking a minute to meditate, or crushing a team challenge, every small step builds a happier, healthier you. Here is why jumping in is a total win:

You can start earning points by engaging with various features in the app:

Earn Points Effortlessly

Get rewarded just for taking care of yourself! Earn points by exploring our on-demand library, syncing daily steps, smashing challenges, or even unwinding with an audiobook.
